

Do you know what to do in the event of a disaster? If the answer is not really or even no, then join [Totally Unprepared](#) for a presentation on [Emergency Preparedness](#) and we will get you up to speed in no time! Come learn what you need to know about emergency preparedness as we cover 3 basics steps to being better prepared for all sorts of emergencies, not just for yourself, but for your family and your community.

- (1) Get a Kit
- (2) Make a Plan
- (3) Be Informed

Participants can learn how to prepare their families for the next disaster, some basics that go into an emergency kit, where to meet when the going gets tough, and how to stay in the know. So don't be left Totally Unprepared when the next big one hits and take advantage of this opportunity and join us!
